Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

(Dr. Rashawn Lang)

SAINTS PRESERVED: AN ENCYCLOPEDIA OF RELICS

Image, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!
Summary: " Saints Preserved is not a stuffy historical account or pious index of which relics are where. Craughwell has a marvelous sense of humor that shines in his breezy - and fascinating - descriptions of the relics, their provenance and the relic-enthusiast subculture, if you will" Cathleen Falsani , The Huffington Post "Craughwell's exhaustive catalogue extends through the Eastern and Roman churches to include items referenced in scripture; it relates their histories and known locations, and provides entertaining yet respectful hagiographies of the men and women whose faithful lives have inspired such reverent interest in all they have left behind. This is a marvelously-researched resource that should become a classic entry to a seeker's spiritual library, and yes, I do recommend it!" Elizabeth Scalia , The Anchoress blog "Long before there were cameras and videos to record for posterity, relics had become the visible reminder of great, heroic and holy lives-remembrances of heroes of the faith. Saints Preserved: An Encyclopedia of Relics gives an account of the lives of those heroes and provides renewed inspiration for Christians everywhere who face many of the challenges that were a part of the lives of the saints." -Cardinal Donald Wuerl, co-author of The Mass and author of The Catholic Way "Relics are an often misunderstood part of the Catholic devotional life. Derided as either superstitious or just plain 'gross,' they are in fact an important reminder of the physicality of the saints. The saints were not mythical creatures or legendary personages, but flesh-and-blood men and women who walked the earth, ate and drank, wore clothes, wrote letters, and lived entirely human lives. Thomas Craughwell's new book provides readers with a comprehensive guide to the most important relics..."
