Her warm, personal and nurturing guidance shows you how to overcome the psychological blocks that prevent you from expressing your full creative potential. In this book you will learn: -How to accept the abundant life as the natural, God-given condition for yourself -How to free yourself from the consciousness of lack that causes most people to spend their lives struggling -How to stop subconsciously rejecting abundance and consciously accept what is freely given to you -Where abundance comes from and why you cannot take a passive approach to receiving it -How your mind is designed to be a conduit for a flow of spiritual energy -How to open up and direct this energy flow so it produces spiritual and material abundance in your life -Why mind over matter is not only possible but natural because matter is mind.
