Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

JOURNEYS: SELF-DISCOVERY THROUGH TRAVEL

Pan American Press. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. JOURNEYS SYNOPSIS The JOURNEYS of Charles Klotsche have taken him to 52 countries on six continents over a thirty-five-year period. After a long, successful career as a real estate developer, Klotsche, the author of six books and two screenplays and an accomplished travel writer, set out to write about eleven unusual adventures that took place over three decades. His diverse, captivating chapters explore fascinating places, peoples, cultures, and events that have shaped the destiny of mankind. JOURNEYS is a roadmap showing the great sense of purpose we as Americans have. It is a series of reflections that seek to define our heritage, primarily by placing ourselves in relation to other richer, more ancient cultures. Klotsche takes an in-depth look at the human condition, and the nature and purpose of those who live on the earth. His book also reflects the complicated journey of a man trying to find his rightful place on the planet, a man who finally comes home. The eleven adventures, some personal, some more cultural, comment on twentieth-century society. They describe crossing over the Berlin Wall (1962); the Mardi Gras Carnival in Rio de Janeiro (1964); the physical and spiritual exertions involved in ascending to the base camp of Mount Everest (1984); the two-million animal migration in the Serengeti Game Preserve in Kenya (1986); the ancient sapphire mines of Sri Lanka (1985); the Americas Cup races in Australia (1986); the eye-opening experiences of constructing Frank Lloyd Wright's only adobe home in Sant Fe (1983-85); living aboard Howard Hughes sixty-foot, 1927 classic motor yacht in Sausalito (1993-96); the Cuban people trapped under the Castro regime (1995); the experience of working in Mother Teresas San Francisco home for dying AIDS patients (1996); and...
