CAVE OF TERROR

Highland Press, United States, 2008. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you believe in vampires? I sure didn't. Not until on my 16th birthday when I discovered I'm anything but human. And to add the cherry on the freaky sundae called my life, I'm the first Van der Born in over 500 years. You see, it means I'm destined to be a hunter of evil. That's right; I'm a real life Buffy. And to make matters worse, I'm falling for Ryan-this new guy at school. I never thought I'd be this love struck, hair tossing, dorky teenager. It's enough to make me want to hurl. Oh, I almost forgot to mention that on top of all this, I have an entity stalking me that wants to use my rare blood for his own evil deeds, a girl at school who lives to make my life miserable, and a gymnastics coach who is determined to see I make it to Nationals. Yep, things are really looking up for me. Welcome to the never boring, anything but normal, you never know what's going to happen life of Cheyenne Wilde.
