COACHING YOUTH FOOTBALL - SECRETS TO WINNING THE DRAFT

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Every year at this time hundreds of thousands of coaches are getting ready to start training camp for their local Pop Warner or youth football team It doesn t matter if you re coaching tackle or flag football since many organizations have a player draft. If you do not know what you re doing, or go into the draft unorganized, you will get eaten alive. Youth football drafts can be brutal and let s face it, the draft is the single most important event you will have this year. Make no mistake, it all starts with talent. If you do not have talent, you will not win. I don t care how great of a coach you are, if your opponent is always bigger, faster and stronger, you will be in trouble. So if you are coaching youth football this year and will be involved in a draft, this is a must read book.
