## FISHSCALE GIRL AND THE UPSIDE-DOWN RAIN / LA CHIQUITA ESCAMOSA Y LA LLUVIA AL REVÉS (HARDBACK)

Cochiy Pr, 2014. Hardback. Book Condition: New. Robyn L. Smith (illustrator). Bilingual. 254 x 203 mm. Language: English,Spanish . Brand New Book. The Fishscale Girl stories are bilingual picture books for children that tell of the adventures of four small dolls and their jungle friends. Full-color photographs showcase the artistry of the dolls maker, a young member of the Peruvian Yagua community, and her use of local materials, including two-inch fish scales that form the dolls torsos. In Fishscale Girl and the Upside Down Rain, our heroine and her friends follow rainwater on its journey through the jungle. From raindrops at the canopy top to puddles on the forest floor then to a brilliant rainbow, water delights their senses. The friends even taste the rainwater that has become part of a delicious grape! Each discovery poses a new question and moves them to explore another mystery. Photographs of a combination of dolls and toys in a real environment give a sense of realism to a doll-sized world. English and Spanish text appropriately presents the multicultural aspect of our world. The underlying science of the water-cycle is presented accurately in a context of beauty, wonder, and discovery.
