## MEDICINE MANAGEMENT FOR NURSES: CASE BOOK

DOWNLOAD

Open University Press. Paperback. Book Condition: new. BRAND NEW, Medicine Management for Nurses: Case Book, Paul Barber, Medicine management is an important and demanding aspect of nursing practice. It requires both clinical knowledge and the use of professional judgement. This accessible book is designed to help both practising and student nurses prepare to deal with the challenges of medicine management. It covers the principles and skills involved in a range of common medicine management scenarios and will help nursing students integrate their knowledge of physiology, pathophysiology, pharmacology and nursing care. This handy book: is based on 21 practical case studies, which help you learn about effective medicine management and test your understanding of essential drug groups; helps you gain confidence in your knowledge of pharmacology; and highlights the nurse's role in identifying the therapeutic and adverse effects of medicines on a patient. Part of the Case Book series, Medicine Management for Nurses Case Book offers a unique way of relating theory to practice. The cases are ideal for preparing for exams, tests and working in practice, as each one includes self-test questions and answers. Whether you are preparing to qualify or studying medicine management after qualification, this case book is the ideal practical tool for you. Contributors: Diane Blundell, Abe Ginourie, Joy Parkes, Ruth Sadik, Pat Talbot, Janine Upton, Traci Whitfield, Christine Whitney-Cooper, Debbie Wyatt. "The book offers a unique and engaging approach to an important subject that most students find daunting. Realistic case scenarios are used as a catalyst to introduce information and concepts that underpin practice. The presentation style supports the active participation of the student with the inclusion of questions at the beginning of each topic offering a platform to explore key areas whilst referring to the scenario. I highly recommend it to pre-registered student nurses." (Kris...
