THE FLOATING LADY MURDER: THE HARRY HOUDINI MYSTERIES

Titan. 1 Paperback(s), 2012. soft. Book Condition: New. In turn-of-the-century New York City, young Harry Houdini takes work with Harry Kellar, the "Dean of American Magicians," in this second Houdini mystery. One night the performance of Kellar's Floating Lady illusion goes horribly wrong, and his levitating assistant apparently plunges to her death. Houdini, along with his wife Bess and brother Dash, must prove that the young lady actually died from drowning rather than a fatal fall. This is part of a trilogy of detailed and atmospheric historical mysteries by Daniel Stashower, the author of such Agatha, Anthony, and Edgar Awardwinning biographies and true-crime studies as *Teller of Tales*, *Arthur Conan Doyle: A Life in Letters*, and *The Hour of Peril*. "Enough intrigue, banter and action to keep you reading and due to some very thorough research, give you a realistic look at New York in this time period, an insight into Houdini's home-life and early career." *Bad Haven* 231.
