Hachette Audio, 2007. Audio Book (CD). Book Condition: New. 32mo - over 4" - 5" tall. Brand new, sealed. 5 CD Audiobook, Running time approx 6 hours. Read by Sandra McCollom. We often approach prayer as merely a means to an end - how can God meet our needs, how can He ease our burdens? But have you ever really considered what prayer is and why you pray? Do you understand just how your life is impacted by your prayers? Calling God to your aid is only the first step. Joyce unravels the mystery of talking with God by explaining and exploring the different types of prayer: Praise, Worship and Thanksgiving; Consecration and Commitment; Petition and Perseverance; Intercession; Prayers of Agreement. Additionally Joyce will guide you through the building blocks for a richer, more interactive prayer relationship with God by explaining the keys to understanding unanswered prayer, identifying the various hindrances to effective prayer, knowing how to use the Bible in prayer, and how prayer can help you stay strong in life. Prayer is powerful. By connecting with God in prayer, we gain the power of wisdom and comfort in difficult circumstances, guidance in building relationships, and strength for success. Joyce helps us understand what we need and should expect from prayer, and how to unleash its power.
