This is the story of a princess who loved butterflies, and the mystery of one that is lost. The princess wishes to have butterflies in the palace at night that are as beautiful as those that visit her during the day. Her father tries to make her happy, (like all fathers) by having butterflies made and hung in the palace, but none are as transparent and beautiful as real ones. A messenger is sent to the Land of the Crystal Stones to have one made for her. On his return, the Crystal Butterfly is lost. And so a journey begins that is filled with history, geography, clues and mystery. Do you like a challenge? Read the book, decipher the clues by using an understanding of history and geography, and you may find where the Crystal Butterfly is lost. Should you be successful, you will receive a print picture of the Crystal Butterfly signed by the author and illustrators. Age range: 8-11, grades 3-5 and all who love a mystery that involves geography and history!.
