THE LIFE AND TIMES OF MEXICO

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 800 pages. Dimensions: 8.4in. x 5.9in. x 1.7in. A San Francisco Chronicle Best Book of 2004. A work of scope and profound insight into the divided soul of Mexico. --History Today The Life and Times of Mexico is a grand narrative driven by 3,000 years of history: the Indian world, the Spanish invasion, Independence, the 1910 Revolution, the tragic lives of workers in assembly plants along the border, and the experiences of millions of Mexicans who live in the United States. Mexico is seen here as if it were a person, but in the Aztec way; the mind, the heart, the winds of life; and on every page there are portraits and stories: artists, shamans, teachers, a young Maya political leader; the rich few and the many poor. Earl Shorris is ingenious at finding ways to tell this story: prostitutes in the Plaza Loreto launch the discussion of economics; we are taken inside two crucial elections as Mexico struggles toward democracy; we watch the creation of a popular telenovela and meet the country's greatest living intellectual. The result is a work of magnificent scope and profound insight into the divided soul of Mexico. 3 maps, 32 pages of illustrations This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
