Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Real Argentine: Notes and Impressions of a Year in the Argentine and Uruguay So many books have been written on South American countries within recent years that the addition of one more to the already formidable list calls for a word of explanation, if not apology. So far as English writers on the Latin-American Republics are concerned, many of their works are based upon the statistical returns of the respective Governments, or on topographical and historical data, easily obtainable at the British Museum. Others, more popular, but perhaps less valuable, are the hasty records of fleeting visits. These latter are so apt to be informed by a spirit of indiscriminate admiration that they present misleading and untrue notions of the countries described. The present writer may be stating what is already known to the reader, when he mentions that among both of these classes of books a considerable percentage have been subsidised by the Governments of the respective Republics of which they treat. Many are but glorified advertising pamphlets, put forth in the guise of serious books the better to fulfil their office of propaganda. To look to them for any dispassionate and well-studied view of the countries illustrated in their pages would be as natural as to expect the advertising agent of Somebody s Soap to publish an entirely impartial opinion of the article he had been employed to boom. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
