ARMY TECHNIQUES PUBLICATION ATP 4-90 BRIGADE SUPPORT BATTALION APRIL 2014

Createspace, United States, 2015. Paperback. Book Condition: New. annotated edition. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This publication, Army Techniques Publication ATP 4-90 Brigade Support Battalion April 2014, describes the brigade support battalion (BSB) role, organization and operations in support of a brigade combat team (BCT) or support brigade. ATP 4-90 is a revision of FM 4-90, Brigade Support Battalion, last published in 2010. This ATP was written for commanders, staffs and Soldiers assigned to a brigade support battalion, the brigade combat team and the support brigades. It provides relevant information to echelon above brigade sustainment organizations. ATP 4-90 provides information on the role and functions of each organization within the BSB. ATP 4-90 clarifies existing BSB doctrine. The intent is to frame the BSB in the context of its role within its supported brigade as opposed to its role within the sustainment system. This is accomplished by eliminating discussion about modular logistics and focusing on BSB operations. The updates to ATP 4-90 account for mission command philosophy, emerging Army vision and implementation of Global Combat Support System-Army Field/Tactical (GCSS-Army (F/T)). Language and content of the manual are consistent with current doctrine guidelines. This is primarily accomplished by removing functional details from the chapters describing the subordinate companies and referring the reader to the appropriate functional ATP. Organization graphics are updated with known organizational changes and GCSS-Army (F/T) operations are annotated where appropriate. The aviation support battalion s role, organization and operations are consolidated into a single chapter. All text related to mission command warfighting functions and log reporting is consolidated into a single chapter which includes an expanded section on mission command systems and command post (CP) operations. There are three appendices: an echelon of support appendix, a brigade support area...
