Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

In the controversy arising from the promotion of this method, three main reasons have been put forward in its defence; the argument from Scripture, the psychological argument which asserts the helpfulness of a public response to the individual, and a general argument as to its evangelistic effectiveness. In this booklet Iain Murray, himself an evangelical minister, examines the validity of these arguments and questions whether they can satisfactorily answer counter-arguments from Scripture and experience.
