Other studies are on War and Savagery, Magic or Religion and the Primitive Medicine Man. Such subjects are beyond the scope of a brief notice in a literary journal; and in particular the views on psychology and folk-lore, though put with all clearness, are of necessity somewhat technical. Our province is only to present that which we regard as their key-note. It goes to show that the reign of materialism is over, even in the folk-lore societies. Among Dr. Marett's earliest utterances there is one which tells us that in this department of research we have only ourselves to blame if we turn aside. . . and are presently engulfed in the dismal slough of materialism. The study of mana and tabu is the study of a savage with a soul, and all that belongs to their history is a mere outward integument and garb of the spirit. It seems to us that this is the governing attitude through all the pages, in the study of primitive values, and in the luminous discussion on the origin and validity of religion. The result is a new spirit brought into all the debates: it breathes over the bones of folk-lore, and they begin to live. SAVITRI AND OTHER WOMEN. By Marjorie Strachey. 6s. net. (Chatto and Windus.) In this volume Miss Strachey has retold with considerable literary skill stories taken from the folk-lore of many countries. The stories are from adaptations and translations, and Miss Strachey...
