In the 18 years since leaving the consumer advocate office, Ive been primarily in private practice, with a short stint back at the Public Utilities Commission as a staff counsel to the commission, and been working both as attorney and an energy consultant. Ive testified or consulted in numerous jurisdictions including Colorado, New Mexico, Arizona, Texas, Washington, Hawaii, Oregon, Nevada, and California, and on various energy issues including integrated resource planning, energy efficiency demand response, natural gas decoupling, and others. I have represented numerous clients in energy related matters, including utility rate proceedings, integrated resource planning cases, legislative proceedings, and power contract negotiations. My clients included the Department of Energy, the Department of Defense, the Department of the Navy, Sandia National Labs, major international corporations, utilities, manufacturers of energy efficiency equipment, and renewable resource...
