John Blake Publishing Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book. Radiohead is a band with few peers - acclaimed, multi-platinum selling, globe-trotting and a critics favourite. At the epicentre are the strangely compelling and yet unusual features of their mercurial lead singer, Thom Yorke, one of rock music s most enigmatic personalities. This is the first ever biography of Yorke: a tale of the extraordinary drive, ambition and perfectionism of just one man. Thom Yorke s story has never been told and this biography goes further and deeper than ever before with the help of in-depth interviews from former classmates, producers, video makers and other key players in his life. From the formative childhood experiences as a public school outcast that first shaped his songs to each Radiohead album - from his perspective - as well as his solo work and his expansive charitable and ecological campaigns, Thom Yorke: Radiohead Trading Solo provides a fascinating portrait of a band and a man who would never settle for second best.
