

## Santa Fe Railway: Railroad Gateway to the American West Volume 1

---

By Dold Duke

Golden West Books, 1995. hardcover. Book Condition: New. Santa Fe: Railroad Gateway to the American West Volume 1: Chicago - Los Angeles - San Diego by Donald Duke. The name Santa Fe began with the early history of the Southwest, grew with the flow of commerce that followed the old Santa Fe Trail, and became a popularized term by the Atchison, Topeka & Santa Fe Railway. For the past century this name has been associated with a famous fleet of streamlined passenger trains, and today's piggyback and container trains. This is the first of three Volumes featuring the Santa Fe System. Volume One features the organization of the railroad back in 1866, follows its construction from Topeka to California, from Topeka to Chicago, and operation of the trains. It covers the roads venture into Mexico, development of local lines within California, tells about electrification possibilities, the Santa Fe bus system, Santa Fe's venture into air-rail transportation with participation in Transcontinental Air Transport, Santa Fe Skyways, mergers, and up to the pending merger with Burlington Northern (1995). This Volume also presents a comprehensive review of the Santa Fe's motive power fleet from the earliest 4-4-0 type locomotives, to the giant 2-10-10-2s....

### Reviews

*An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.*

-- Prof. Arlie Bogan

*It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dr. Barney Robel Jr.
