Anaiah Inspirations, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Sometimes, reality really bites. Alzheimer s has wrapped Mom s brain into knots; vascular dementia has attacked dad, and instead of carefree retirees, we have become caregivers. Regardless, dreams die hard, and we somehow stumbled into the purchase of a forty-foot motor home. That s when all four of us set out on this seven-week trek across sixteen U.S. states. Now, Dad stopped up the toilet again; Mom wet her last pair of clean jeans, and David just announced he was hungry. My head is beginning to pound, and I know this isn t going to be the easygoing retirement we imagined for ourselves. Linda Brendle takes you on a roller-coaster ride of emotional and spiritual challenges that many families are facing right now. Co-dependency, mental breakdowns, and finding love after divorce are just a few of the issues weaved into this journey of caregiving.
