Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Relaxation is guaranteed when you give your concentration to coloring these beautiful designs. With a loving theme you will enjoy the variety offered. In Hearts Desire a blank page has been left between each image so that you can make notes, test color combinations or simply protect the following image from being damaged as you work. The theme for this book came about from my love of drawing, painting and other crafts. I do hope that you enjoy working through the images. There is a wide variety to discover, from abstract designs to lovingly created Mandalas. Images have been left without a border so you can extend the pattern if you wish. If not, simply draw in a border of your own design. For your ease of use there is only one design per page to protect your work from any bleeding through the page. If using pencils it is also a good idea to use a heavy paper insert behind your work page to prevent any pressure damage to the page behind.
