Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Choosing how you will educate your children is probably the biggest decision you will ever make for their happiness, their knowledge and their approach to life. "Rise Above School" is a tool to help you make this critical decision. It takes a candid and thorough look at what school is and does and explains the opportunities available through home education (i.e., homeschooling.) Jeffrey Till explains his views on schooling and education through the lens of years of study on the topic and from his own experiences home educating his own three children. The table of contents: CONTENTS Introduction 1 Why you should rescue your children from school 3 Making the decision is really, really hard 6 The Complete Case for Home Education 11 What do you want to be when you grow up? 48 Having empathy for your children is critical 62 My personal path to home education 66 Talking about home education 72 How to get started 76 Conclusion 82 Appendix: Media resources and acknowledgements 84 The Introduction: Introduction This book isnt about the act of home education, but rather making the decision to take your children out of school and begin home education. In my experience, learning about homeschooling was fairly straightforward and knowing the downside of public schooling was fairly intuitive, but taking my kids out of school was still a very challenging decision that took me about year to make. The biggest obstacles turned out to be that I was schooled myself and had a very hard time imagining not using public schools since they are everybodys default state of nature. I also couldnt adequately develop empathy for my own children...
