Candlewick, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Sierra has written an ingenious parable that's ripped-from-the-headlines (or HGTV), and she has a two-peas-in-a-pod partnership with Myers, whose sculptural pictures and sly comedy add just the right amount of visual extravagance. Publishers Weekly (starred review) Myers' inventive acrylic-on-illustration board paintings add a bushel of laugh-out-loud details, from documents attesting to Red's impressive horticultural credentials to an in-your-face depiction of horse poop. . Bits of Sierra's text can be sung to the familiar tune, rendering this a good choice for spring storytimes and family read-alouds. Sierra's upbeat look at small-scale local farming, fulsomely fertilized by Myers, yields a harvest of good fun. Kirkus Reivews A sustainability take on the old nursery rhyme, this humorous go-round places the Little Red Hen in the role of consultant to Old MacDonald. . Myers' acrylic-and-oil illustrations are eye-popping, with wildly exaggerated faces and bodies. A fun twist on an old favorite. Booklist Myers's illustrations capture the fun with expressive animals and grumpy, bow-tied neighbors. This title offers a great way to extend the song into a lesson about the plant cycle and suburban farming. An excellent purchase for general collections as well as curriculum support. School Library Journal Written in rhyme and perfectly complemented by comical illustrations, this very funny story on ecology is a brilliant gem. Pocono Record (syndicated from Kendal Rautzhan) Clever couplets and bright, comic illustrations. San Francisco Chronicle.
