

Deep Truth: Igniting the Memory of Our Origin, History, Destiny and Fate

By Gregg Braden

Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, Deep Truth: Igniting the Memory of Our Origin, History, Destiny and Fate, Gregg Braden, When new discoveries cast doubt on existing beliefs, it's time to rethink the beliefs! A new world is emerging before our eyes, while the unsustainable world of the past struggles to continue. Both worlds reflect the beliefs of our past. Both exist - but only for now. Which world do you choose? Bestselling author and visionary scientist Gregg Braden suggests that the hottest issues that divide us - seemingly separate concerns such as war, terror, abortion, suicide, genocide, the death penalty, poverty, economic collapse, and nuclear war - are actually related. They all stem from the false assumptions of an outdated science, assumptions that have brought us to the brink of disaster and the loss of all that we cherish as a civilisation. "Deep Truth" reveals compelling evidence that: evolution alone does not explain our existence; we've been on Earth much longer than acknowledged by conventional history; we're 'wired' for peace, not war; and, we're at a pivotal tipping point in our existence. These discoveries give us the reasons to think differently about ourselves. With that...
