CHLOE S GUARDIAN

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Chloe is devastated when she finds her boyfriend with another girl. Their high school Scotland tour was supposed to be romantic, not disastrous. Without Todd, life is too painful. To end the agony, Chloe climbs high on a Scottish castle ruin and jumps. A glowing, powerful being appears out of nowhere and plucks her from the sky as she plummets toward the sea. It has to be a sign Todd still loves her! In spite of her renewed hope, nothing goes right. The plane home to Denver leaves without her. Todd won't answer his phone so they can at least talk. Her dad, who recently moved out, makes her life even harder when he red-eyes it over to retrieve her. Like he had to come in person instead of just wiring her money! Her mom is popping too many pills to be useful. And she certainly doesn't need the huge guy, Horace, who shows up on her doorstep once she's home, insisting he is there to help her. Chloe's new hope doesn't last and depression makes her careless, so it's a good thing Horace is around after all. Gun-waving gangbangers jump her and he's by her side to protect her. But they shoot him full of lead before he can do any good. That's when things change forever. Horace explodes into brilliant white energy before her very eyes. He's the being who saved her on the cliff! A half-angel, half-human Nephilim, he's looking for a way to earn points with the angels so he can retire to heaven, and being Chloe's guardian is his ticket there. The...
