But this could not be seriously urged, because by the same logic it would follow that John Cabot, a native of Genoa, had discovered North America for the Republic of Genoa, and not for England. A more plausible argument hung upon the question as to what constituted occupation of territory. In 1606 James I. had denned Virginia as extending from the 34th to the 45th parallel, and had granted it by charter to two joint-stock companies. If such an act t of sovereignty as granting the land sotutes ocwas to be reckoned as equivalent to cuPatlon taking possession of it, then the Dutch might be regarded as intruders. This theory was set forth by the English. They flatly denied the jurisdiction of the States General, or of the West India Company, over New Netherland; as for individual Dutchmen or families of Dutchmen, there was no objection to their settling there, only by so doing they abandoned their nationality and became subjects of Charles I. Such was the English view of the case. King Charles, however, had so many embarrassing questions on hand that he was not disposed to press this one to an issue. So after a detention of nearly two months the Eendragt was allowed to proceed on her way, saving any prejudice to his Majesty s rights. No attempt was made to meddle with the cargo of 5000 beaver skins which she was carrying to Amsterdam....
