Octopus Publishing Group. Paperback. Book Condition: new. BRAND NEW, The Photographer's iPad: Putting the iPad at the Heart of Your Photographic Workflow, Frank Gallagher, In the few short years since its introduction, the iPad has revolutionised how photographers work. At one time having a fully fledged computer or powerful laptop computer was considered essential, but now the iPad is the perfect photographer's companion. With it's amazing and apps ranging from free photo filters to professional programs like Lightroom it just begs to be used by photographers at all levels, and it's become a fixture in their workflow (and kit bags). This comprehensive guide walks you through all the essential apps. Most will be new to photographers used to ageing old 'big computer' apps like Photoshop. Readers will learn not only how to tweak and improve their photos but how to make them more visible and widely shared in the competitive online space.
