John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Poppies from Heaven, Faye Schindelka, Does consciousness continue after death? Are the deceased capable of communicating with the loved ones they've left behind? Do our thoughts reach the deceased? In this book I share the answers that I've received regarding these urgent questions. In 2005, my brother, Murray, died unexpectedly while sleeping. Minutes after saying goodbye to his lifeless body, he began communicating with me. He hasn't stopped since. Whether Murray speaks to me directly or through varied and often humorous physically occurring signs, his message is always one of love and light. He dispels the fear of what the transition from this plane to the next means for all of us and offers comfort to those grieving the loss of a loved one. Skeptics and believers alike are astounded by these accounts of contact between two worlds.
