Brand New Book ***** Print on Demand *****.Excerpt from Frederic Chopin, Vol. 1 of 2: His Life, Letters, and Works Several years of friendship with the family of Frederic Chopin have enabled me to become acquainted with his letters and to place them before the public. Just as I had finished transcribing the first series (letters of his youth) and was on the point of chronologically arranging the second (Paris correspondence) the insurrection of 1863 broke out in Poland, and the sympathy aroused by the political condition of the Fatherland weakened public interest in its literary and artistic productions. I therefore deemed it advisable to abstain from the publication of Chopin s letters. When I gave back to his family the original letters, I did not dream that in a few months they would be destroyed. How this happened I shall in the proper place explain. The loss is a great and irreparable one, for the number of letters from Paris, during a most brilliant and interesting epoch, was by no means inconsiderable.
