MCAT FLASH CARDS

Barron s Educational Series Inc.,U.S., United States, 2015. Kit. Book Condition: New. 130 x 127 mm. Language: English . Brand New Book. Students preparing to take the new Medical College Admission Test will value this set of flash cards as they brush up on questions typical of those that appear on the actual MCAT 2015. The cards--with questions or concepts on the front and answers or concept explanations on the reverse sides--are divided into seven content areas: Biology, General Chemistry, Organic Chemistry, Biochemistry Physics, Psychology, and Sociology. Cards measure 4 1/2 by 2 3/4, and have a hole in one corner to accommodate a metal key-ring-style card holder that is included with the cards. The ring allows students to arrange the flash cards for study sessions in any sequence that suits their needs. These flash cards make excellent study aids when used alone, but are even more effective when used in tandem with Barron s new MCAT test preparation manual.
