CITIZENSHIP DRAMATIZED A BIT OF BRIGHTENING FOR THE STUDY, OF CIVIL GOVERNMENT (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Citizenship Dramatized a Bit of Brightening for the Study, of Civil Government He who learns from practice as well as precept, has ever been the most firmly grounded in knowledge; and it is equally true that he to whom study is play, has ever been the most apt pupil. Recognizing the fact that the study of government is becoming of major importance to a vast number of American women, and that increasing emphasis is being put on it in American schools, the authors of this little book have endeavored to present the essential facts of citizenship through a series of demonstrations or plays that will instruct and at the same time entertain. They are far from claiming to have given here an exhaustive compilation of facts on citizenship. Rather they have attempted to excite the curiosity of the individual pupil and thus lead him to investigate the subject himself. With this in mind it is urged that those who take part in the following demonstrations visit the legislative sessions and political gatherings in or near their own communities whenever possible. This will enable them to make the performance realistic, and furthermore, as methods of government procedure differ in different localities, it will help to make each demonstration locally accurate.
