Neil went to find the answer! CAN A SPACESHIP GO FASTER THAN LIGHT? Neil suspected it could happen! Neil s life was in the pits after he went to prison but when he was released he returned to college. His life took a turn for the better when he won the largest lottery jackpot in American history allowing him to fulfill his life long dream of going to space. Recruiting world wide crackpot scientists, he builds with the help of others including foreign governments, a ship to go to the stars in deep space. The Boritin drive not only takes them faster than light, it takes the so fast that they don t know where they are! Ex-Naval officer, Janice is recruited as the Commander with Boris, the inventor of the drive undermining his authority as Captain, problems occur aboard ship but are put aside when they find an Alien debris field. Unknowingly they have entered a forbidden zone when they investigate the debris field that will put their very lives in jeopardy and the Marauder! Escaping the bonds of the Aliens, they take the Aliens delegation with them. 10,000 light years from Earth. Neil absorbs the aliens into his crew as several become almost human in thought and actions.
