

Problem of the Week: Grade Two

By Laura F Main

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Second grade teachers can use the problems in this book for students in need of extensions or with their whole class for instruction on problem solving. In addition, parents may wish to use these problems at home with their child as a replacement for the traditional math workbook or to supplement their child s school experiences. The problems are meant to be challenging and are designed to support the Mathematical Practice standards of the Common Core State Standards. They are designed to be done once a week in addition to a rich problem solving based core curriculum.

Reviews

Very beneficial to all of class of people. I am quite late in start reading this one, but better then never. You may like just how the writer create this publication.

-- Audra Klocko PhD

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
