Being kind and attentive to others is your child's passport to a lifetime of mental health and success. This charming, festive story highlights the true meaning of Christmas, the power of kindness, and how a simple gesture or a smile can bring positivity and happiness to an entire town. This inspiring story occurs on a Christmas evening and tells the story of a young girl named Kara. During a Christmas eve shopping spree with her mother, young Kara offers her kindness and charming smile to a little boy who later pays the act of kindness forward to a stranger in need. This soon triggers a domino effect of positivity. This Christmas, join Kara on her adventure to spread positivity and happiness with a single smile and a wonderful act of kindness and see how it brings joy to those around her. Will this festive circle of good deeds continue forever? How many people will benefit from Kara's good deed? Will the circle of good deeds come back to find Kara just in time for Christmas? This book will help your children see the endless power that they hold in their very own hands while also being attentive to their environment. This book will encourage your children to offer their kindness and compassion to the people around them, especially in their time of need while also understanding that this is Christmas spirit in its best! This book also demonstrates what goes around, does in fact, come back around in very unique and unpredictable ways, as the saying goes: "Smile..."
