EUROPE OLD AND NEW TRANSNATIONALISM, BELONGING, XENOPHOBIA

DOWNLOAD

Rowman & Littlefield Publishers. Hardcover. Book Condition: New. Hardcover. 266 pages. Dimensions: 9.0in. x 6.2in. x 0.9in. Is Europe indeed uniting or instead falling apart as a result of anti-immigrant prejudices, a massive Islamic influx, and ancient intra-European hatreds This innovative and engaging book explores this key question by examining the national and religious phobias and prejudices, antipathies and sympathies, stereotypes and heterotypes of Europe west and east. Considering the sources of Europes culture-based divide, Ray Taras argues that the idea of two Europes is grounded both in reality and myth. The accession process that brought a dozen new members into the European Union after 2004 highlighted the persisting gulf between old and new Europe. While many concrete borders between east and west were removed (commercial, legal, passport regimes), many remained (absence of a single Euro currency zone, labor market, and security community). Virtual borders too were invented or re-imagined: the postmaterialist, inclusionary, tolerant values supposedly found in old Europe versus the materialist, nationalistic, xenophobic ones of new Europe. After reviewing the two Europes contrasting historical legacies, Taras examines the EU institutions designed to overcome the historical European divide. He considers the treaties, political rhetoric, citizen attitudes, and literary narratives of belonging and separation that both bind and fray the fabric of Europe. Throughout, this interdisciplinary work provides a comprehensive, hard-hitting, and unabashed review of how enlarged Europe embraces contrasting understandings of its political home and of who belongs and who does not. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
