KELLY'S PEOPLE

Tor Books, New York, New York, U.S.A., 2002. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. The five ace intelligence agents gathered at the secret St. John Institute are the best of the best. The best at tradecraft. The best at weapons handling. The best at analyzing a volatile situation, getting in, getting what they came for, and getting out alive. They are all dead-their old identities perished when they were kidnapped by the secret masters of the institute. Now they have new names and new personal histories. More important, each has received a life-saving organ transplant. And something else-twice a day, each is given an injection of a mysterious golden serum. They are no longer ordinary human beings. Their minds are linked in a bond that grows stronger with time.
