D Most treatments of Hebrew education available in English are either out of date or inadequate. The longer one studies the origins of modern education the more difficult does he find it to explain the meagerness of the accounts of Hebrew education thus far presented. Authors of educational histories who have felt it incumbent upon them to include in their treatment of Greek education a discussion of music, dancing, physical and military training, have omitted these and other equally important topics from their discussions of Hebrew education. The fact that the information concerning these phases of ancient Hebrew education is in many cases meager and incomplete is no reason for failing to present such data as are available. The following account is, I believe, the first attempt in English to give education in Ancient Israel any such broad treatment as has long been accorded to that of other ancient peoples. There is no people whose history presents more difficulties, and none which leaves more room...
